I would like to highly recommend Adil Dalal who was a guest speaker at our Career Connections meeting on March 30 for more than 200 job seekers. After Mr. Dalal's presentation, numerous people went out of their way to let me know this was one of the best presentations they have ever heard at our weekly event. In fact, I received more positive responses than I ever had during the 11 years that Workforce Solutions has sponsored the sessions.

One comment from a graphic artist was memorable because he said he was hesitant to attend the meeting because he wasn't sure if he could relate to someone from an engineering management background. He was more than pleasantly surprised, he said he learned so much from Mr. Dalal and especially appreciated his creative approach and ability to reach a diverse audience.

Mr. Dalal's discussion on "Critical Tools for Surviving and Thriving in Our Current Economic Crisis" included a highly effective PowerPoint and videos that supplemented his words of wisdom. I can appreciate his in-depth knowledge and effective ways of presenting in-depth information.

Feel free to contact me if you would like additional information. My email is nancy.bishop@ruralcapital.net and my phone is 512-244-2207, ext. 1025.

Sincerely,
